SERIAL No. 29

Dear Sir Thomas Cheltg:

The Duncan gave a distinct order that promotions were to go in seniority - and that when a Barr Officer was found to be incapable that he was unfit for promotion he should be got rid of -

Under these circumstances Govt could not sanction the C.C.s recommendations of Cobb

The 2 instances of -

III Batt^{n} Subadar Major Lutchman Nauck

I & III Batt^{n} Jemadar Peermalloo

As these were the only

and I would advise your
adhering to what has been
already settled.
If the C.C. had a really good
case why did he not bring up
the matter officially
I have no interests to serve
but those of God and would
have given any reasonable applicant
any support I could -

With regard to the Chaplain Service
It is safer to accept the Bishop's decision as final in all matters
relating to it. unless there is good cause
to show error -
In the present instance the C.C. apparently
wishes to prevent effect being given to the
Bps. recommendations not because they
are bad but because his candidate is
not accepted - This sort of argument

My dear Sir

I shall as desired by you recommend official to Govt for entering such names the Senior officers as would be pursued over by Subedar Sultan Mohideen & Jemadar Vardaraja's promotions Kindly issue orders sanctioning the promotions as recommended by me.

Yours sincerely

as officially he has previously
remarked that he did

the only delay has been
in the papers following me
for approval to Mysore
& owing to Mr Bonnes office

This has been unavoidable
as the Viceroys visit was
in necessity for us to run
down to the Khaddahs.

Lots regards to the Infant

It was found that the
C.C. made somewhat invidious
selections for promotion

him also for his approval of the Durwan.

The Gradation Roll of the Officers has gone to Mysore & is not available but the list of the III Batt Bazar is given in the Dist. Diary of which I enclose a copy.

The C.C. states that the promotion he has recommended does not make Jemadar Varada Rajalu pass over the heads of

2nd Hc. Soldr. Ram Singh
Hucha Nauck
Safdar Hoosain

But it does as he has recommended him for promotion to 1st grade.

as however he does not
wish to promote three Officers
I will put Varadarajulu in

From

THE CHIEF COMMANDANT,

To

The Military Assistant
to the Government of Mysore.

SIR,

With reference to Your letter No:
92/21. dated 9th July 1900, I have
24 of 99-00
the honor to state that I am aware
that promotion in the Commissioned
ranks is strictly by seniority gen-
erally; but the promotions now
recommended contrary to this prac-
tice are on special grounds.

Jemadar Virabasappa Naidu
has been a drill Instructor to
His Highness the Uraka Rajah and
possesses

possesses special qualifications. If Government had not stopped Enlistments and promotions in the Navy he would have by this time occupied a higher post than the one he is now recommended for. Some of the officers who will be passed over and are old, have already been warned for retirement.

Under these circumstances, I request that you will be so good as to obtain the sanction of Government for the original recommendations made in the rolls forwarded with this office letters Nos: 1922 and 1923 dated 29th February 1900.

As regards the retirement

on Military grounds of persons medically considered fit for further Service, I do not think any alteration is absolutely necessary now as every case is invariably being submitted to Government to be decided on its own merits. However should an alteration be required, I enclose a draft modification of the Section in the Civil Service Regulations which contains my suggestions.

I have the honor to be,

Sir,

Your most obedient Servant,

J Symons.
Lt Colonel,
Chief Commandant,
Imperial State Troops.

Special Gratuity or Pension.

360. When Officers and men of the Mysore Cavalry Regi-ments and Barr Force become inefficient for Military Service, through loss of nerve, excessive obesity, bad riding or marching, or other disqualifying cause, and are not considered by the Medical Officers as entitled to a certificate of physical disability, the Chief Commandant may on the representa-tions of Commanding Officers, ~~confer a Committee of such Officers as he thinks fit to report on~~ the inefficiency or otherwise for Military Service of such individuals and on the advisability of recommending them to Government for a Special Gratuity or pension as the case may be, when the length of their service is more than five years.

It will be the duty of the Chief Commandant in these cases to carefully examine the men and record his opinion on the roll, which will then be submitted, with the report of the Committee, for the orders of Government.

Bangalore.

Sir,

With reference to your letter No 270 of 31st July 1900,

I have the honor to inform you that Government is not prepared to alter the instructions contained in this Office letter No 92 of 9th July last, directing that all promotions in the Local Service and Barr Regiments shall go by seniority.

With reference to the case of Jemadar Varadarajaloo Naidu in which you urge a departure from this order, I am to say that in consideration of the fact that the Jemadar has been drill-Instructor to His Highness, Government is prepared to sanction an allowance equal to the difference between his present pay and that of a 2nd class Subedar until such time as he can be promoted in his turn. but Government will not permit him to be promoted over the head of any senior Officer, and I am to ask you to kindly resubmit your recommendations for promotions in the light of the orders contained in this Office letter No 92 of ~~the~~ 9th July above referred to.

2. With reference to the retirement on Military Grounds of persons considered by the Medical Authorities physically fit for further service,

Government regret that it cannot entirely approve of the suggestions made in your letter but has redrafted Article 360 as per copy enclosed. Government will itself order the assembly of a Committee should such a course appear advisable in any particular case.

SIR,

In reply to Your letter No: 1006 dated 30th Ultimo asking me to inform the dates from which I propose to pension the officers

1.	Subedar 1st Grade	Syed Abdul Rahiman	3rd Battalion.	
2.	do 2d do	Ram Singh		
3.	do do	Hutcha Naick		
4.	do do	Sufder Hussain		
5.	Jemadar 1st do	Sheikh Hyder X		

named in the margin, I have the honor to state that Subedar Syed Abdul Rahman has been retired already, and with the exception of Jemadar Sheikh Hyder (vide this office letter No: 1023 dated 26th October 1900) the others have not

been

been recommended for retirement there was no necessity for it.

As regards the promotions in the 1st Battalion, the Juniors to Jemadars & Havildars promoted will go up according to seniority among themselves.

Vacancies regulated as rec'd by Subadar for Jemadar, 1st Battalion, Permanent Havildars promoted will go up according to seniority among themselves.

As these promotions have been pending sanction from a long time, I request that the matter will be expedited as otherwise the efficiency of the regiment would suffer to a great extent. The number of officers available for Guards of Honor &c. is very small at present, and should there be any further delay, I think the officers newly appointed will not have sufficient

time

time to get their uniforms made before the arrival of His Excellency the Viceroy.
